Dear The Federal Communications Commission,

Please support the "Fair Share Plan" regarding the Universal Service Fund (USF). The Fair Share Plan will keep the USF fair, ensuring that consumers like me on a limited income do not pay the same rate into the USF as big businesses. I do rarely use long distance services, and I use a prepaid service (no contract) for my emergency cell phone.

The "Fair Share Plan "keeps the system fair, equitable and non-discriminatory.

Thank you, Sandra Nelson
